## CREATIVE ARTS CAMP SESSION ONE

Develop your child's creativity in a fun and engaging environment at Creative Arts Camp. Children are encouraged to explore freely and to use their imaginations in one or more of the Expressive Arts—visual art, creative theatre, dance, or music. This interactive two-week session offers age-appropriate lessons, exposure to a wide range of media, and an experienced and friendly teaching staff who will help bring your child's creativity to life.

Creative Arts Camp / Session One is held at Valley Middle School, 1645 Magnolia Avenue, Carlsbad, 92008.

To enroll in Creative Arts Camp / Session One, choose from one of the sections below. Enrollment is on a first-come, first-served basis and is limited to 20 students per section.

**Session One takes place July 9 to July 20, from 9 am to 12 noon.**  
**Ages 7 to 9**

**CAC-1-107**  
**VISUAL ART X 3**  
July 9 to July 20  
9 am to 12 noon  
Ages 7 to 9  
Fee: \$120

In these visual arts classes, students will spend each day discovering a variety of media, art techniques, and artistic disciplines.

The City of Carlsbad's Cultural Arts Office offers you and your children two different and distinct summer arts camp experiences: Creative Arts Camp and Club Pelican. Camp classes meet daily, Monday through Friday; some sessions are one week, others are two weeks. All camps are staffed by professional artists/educators, a camp aide, and young adult volunteers. Read on for more details including program descriptions, dates, times, and age level requirements. When registering your child(ren) in camp, note the camp code highlighted in bold above each camp description. All fees include materials.

Given the opportunity to let their artistic expressions soar, students will create 2-D and 3-D works of art emphasizing skill development and creativity. They will experiment with drawing, painting, printmaking, collage, sculpting, and much more—taught by two superb, professional artist/educators. This is the way Picasso started!  
Instructors: Tami Noorzay and Leon Martin

**CAC-1-207**  
**Dance / Music / Visual Art**  
July 9 to July 20  
9 am to 12 noon  
Ages 7 to 9  
Fee: \$120

**Dance**  
"Dance Like the Stars" is a ballroom dance class where students will learn the basics—and variations—to dances such as swing, jive, tango, cha-cha and waltz, just to name a few. All experience levels are welcome in this fun movement class. One right foot and one left foot are best, but two left feet are okay too!  
Instructor: Pamela Laird

**Music**  
"The Songs of Summer." In this class students will not only sing great songs about summer, but will enhance them as well by adding movement, scarves, rain sticks, maracas, thunder tubes, ocean drums, boom-whackers and xylophones. Creating sounds and movement to poetry about summer will also be explored.  
Instructor: Mimi Puckett

**Visual Art**  
"Pens, Pencils, Paint!" And if there are other art-making techniques that begin with P, the students will surely work on those too! Using pens, pencils, charcoal, paint, watercolors, and more, students will begin to learn the vocabulary and creative possibilities of art, including basic painting and drawing techniques.  
Instructor: Leon Martin

**CAC-1-307**  
**Theatre / Visual Art / Music**  
July 9 to July 20  
9 am to 12 noon  
Ages 7 to 9  
Fee: \$110

**Theatre**  
This comprehensive class will focus on most of the essential elements in theatre. Students will have fun with basic script writing with character/story development, acting technique, movement, voice, theatre vocabulary, make-up, fundamentals of costume and set design, improvisational acting, basic directing and some theatre history. A variety of "warm ups" and theatre games will be utilized, designed to promote personal expression, self-confidence and creativity.  
Instructor: Olivia Espinosa

**Visual Art**  
Take a look in the mirror. This class is all about portraiture, as students explore different art techniques using a variety of media, while also learning about facial proportions. This class will also look at art historical connections, like cubism and impressionism. Students will incorporate magazine photos, pastels, paper, paint, ink, found objects and more to create unique and creative portraits.  
Instructor: Leon Martin

**Music**  
Come to a carnival. Not just any carnival though, but Camille Saint-Saens' delightful musical fantasy, "The Carnival of the Animals." Students will sing fun animal songs and do puzzle activities based on the Saint-Saens suite. In this class students will also create musical sound-collages of animals by using bells, autoharp, dulcimer, guitar, drums, shakers, xylophones and a barnyard of rhythm instruments.

Young campers first hike the trails of the Batiquitos Lagoon exploring animal habitats, lagoon birds, native plants, insects, and geology, and then create artworks inspired by what they observed in the Batiquitos wetlands. This fun-filled—and very popular camp is held in partnership with the Batiquitos Lagoon Foundation.
